# GO FISHIN' ON YOUR PC!

## Front Page Sports®: Trophy Bass™ 2

It's hard to beat the excitement of a solid hook-up with a lunk-er bucket-mouth, but the original Trophy Bass proved that fishing on your PC comes awfully close. And now the new **Front Page Sports: Trophy Bass 2** makes finding, hooking and landing the big ones even better. The folks at Front Page Sports have added five new lakes, more rod and lure options and more tips from bass pros Kevin Van Dam, Larry Nixon, Denny Brauer and Penny Berryman. Plus, **Trophy Bass 2** now features on-line fishing action: You can hook up with fishin' buddies around the world via network, modem or the Internet.

**Now Includes  
10 Lakes  
& Network  
Play!**

Features "how to" sections hosted by top bass pros.

Hookup on the Internet for incredible head-to-head tournament action.

Start by selecting one of ten photo-realistic bass lakes, all known for producing real-world lunkers. Then take into account all the factors that effect real fishing: weather, season, time of day, wind speed and direction, air temperature, plus water temperature and clarity. It's all there, just like the local hotspot.

Fishing tips from tournament pros show you how to rig the right rod, select from hundreds of lures and choose fishing holes that are likely to hold some real hawgs. But hang on when you hook up, because **Trophy Bass 2** gives you all the features of real lip rippin' battle.

The New Adventure  
From The Creators  
of 2001 and  
Cosmos.

# RAMA

The richly detailed graphics, intriguing story line and orchestral score enthrall everyone who enters RAMA.

Science fiction fans and adventure game enthusiasts around the world have been eagerly awaiting the arrival of **RAMA™**. This epic science fiction adventure is based on the critically acclaimed RAMA series by Arthur C. Clarke, world famous creator of 2001: A Space Odyssey and Gentry Lee, co-producer of Cosmos.

**RAMA** is a startling world of bizarre architecture, engineering marvels and alien wonders. Launched by an unknown intelligence commanding technologies humans do not understand, **RAMA** presents the human mind with its greatest quest.

As one of the astronauts sent to explore RAMA it's your duty and privilege to decipher the secrets of this 50 mile cylindrical community that has entered the far boundaries of Earth's universe. You must learn if the aliens are friendly and uncover their motive for arriving here before trouble breaks out and Earth is

doomed. Decipher a series of complex alien challenges, avoid unseen dangers and reveal tantalizing clues so you can live long enough to report your mysterious findings.

**RAMA's** innovative 3-D environment is unsurpassed in its intricacy and beauty. Its state-of-the-art technology seamlessly blends live human characters into the richly rendered art and animation for dynamic realism. Full motion video and an orchestral sound track help bring the world of **RAMA** to life.

Launched by an alien race in command of technology unknown to mankind, **RAMA** presents the human mind with it's most challenging quest.

**RAMA** features a seamless blend of human characters with rendered art and animation.

# BIRTHRIGHT™

## the Gorgon's Alliance

You are the heir to one of 17 kingdoms on the Continent of Cerilia. Each kingdom is unique, with different resources and opportunities for adventure. Every moment is a monumental struggle to survive and restore order to Cerilia. Properly managed resources and loyal subjects lend themselves to powerful alliances and an invincible army.

**BIRTHRIGHT** challenges you to strike a careful balance between the dual goals of managing your lands and battling your enemies. Through convincing conquests, clever alliances and careful management of your resources you can establish your realm as the most powerful on the continent.

**BIRTHRIGHT** is the computer version of the newest fantasy world created for TSR's popular **ADVANCED DUNGEONS & DRAGONS®** game series. It combines the best of a traditional role-playing game and a strategy/war game. You can choose to play in a turn-based mode or a fast paced real-time game. And you can even play against on-line opponents via network, Internet and modem.

Reserve your copy of **BIRTHRIGHT** before November 30 for the Special Reserved Copy Price of just \$44.95.

# RUN FAST. RUN SMART.

## Urban Runner™

As an investigative reporter, Max plays no favorites. A little unscrupulous himself, he does what it takes to land a front page by-line. This time, while Max is working on a story, a cop suddenly turns up dead and Max is the prime suspect. Wanted by both the law and a mysterious criminal organization, Max takes to the streets. His only hope is to find enough proof to clear his name.

**Urban Runner** is the breathtaking thriller that brings 100% real-time, full-motion interactive video to your PC. Four action-packed CDs bring the chase to life. Remember, run fast, run smart. Stop and you're dead.

Danger and suspense are your companions on a frantic flight to stay alive.

Play the roles of Max, an American journalist, and Adda, a mysterious German ecologist.

# B E T R A Y A L A N T A R A

The Antaran empire, once ruled by a benevolent king and his consorts, has fallen prey to corruption and decay.

Bribery, intrigue, assassinations and deceit are rampant throughout the land. Now, four young Antarans seek to restore the balance of power in their beloved homeland. Their destiny will take them on a long journey to the far eastern realm of the empire. Along the way they will encounter devious plots of manipulation, self-serving political agendas, secret societies and magical challenges.

As the follow-up to the award winning best-seller *Betrayal at Krondor*, *Betrayal In Antara* was specifically developed as the ultimate fantasy role-playing experience. With an imaginative story line, radical plot twists, well-developed characters and beautiful painted backgrounds, *Betrayal*

*In Antara* is multimedia adventure at its best.

Superior high resolution graphics include an immense 3-D terrain system with detailed textured maps. Improved Artificial Intelligence within a dynamic third-person, turn-based, 3-D tactical system pulls you right into the game.

Interconnected story chapters provide visual progress markers and sub goals that make each episode richly rewarding. With your help characters have an opportunity to cast magic spells and wage battles that could mean the difference between life and death.

Control the destiny of those chosen to restore the balance of power in Antara.

An innovative new AI system lets you help characters learn from the magic spells cast against them.

# More powerful than any human opponent. More human than any computer opponent.

Finally! A computer chess game that improves your chess skills and keeps you in the game without steam-rolling you every time you play! **Power Chess** is more powerful than any human opponent and more human than any computer opponent. The power comes from the legendary WChess engine. The human element comes from a unique approach that makes playing fun. So you are constantly challenged but you have a fair chance to win.

**Power Chess** has two secret weapons: The Power Chess King and The Power Chess Queen. The King is the ideal adaptive opponent. He assesses your strengths and weaknesses and makes every game a challenge. But the Power Chess King is not infallible; he has a tendency to take carefully managed risks, just like a real player. Plus, you have the Power Chess Queen as your on-line mentor. She'll critique your game and give you advice to help make you a better player.

**Power Chess** also includes 30 spirited opponents waiting to challenge you, plus a collection of more than a dozen authentic 2-D and 3-D chess sets from around the world and throughout

history. Plus, **Power Chess** makes it easy to tap into the Sierra Interactive Gaming Service, so you can test your mettle against live players on the Internet.

# MAN VS. BEAST IN NON-STOP CARNAGE

**Head-To-Head  
Split Screen  
Action!**

## Hunter Hunted™

In the not-too-distant future mankind has been enslaved by an alien race whose favorite spectator sport is fast-action human/mutant beast death matches. Guess what? Today you're on the play-list. You'll play Jake, a hard-bitten warrior accomplished in everything from fists to rocket launchers, or The Beast, a horned behemoth who combines brute strength with weapons designed to crush and maim. You'll pursue each other through a multi-level labyrinth of flesh-eating tunnels, booby-trapped sewers and other mazes filled with lurking menaces. Only one of you will come out alive.

Each character has strengths you can use - or exploit. Jake beats The Beast with weapons like shotguns and rocket launchers. The Beast is stronger, can take a lot of abuse before he goes down, and can crush Jake with a few blows of his spiked club. The bottom line - if you're Jake, keep your distance and blast away. If you're The Beast, get close and pound away.

**Hunter Hunted** adds a new dimension to side-scrolling arcade action with the addition of exclusive Z-plane scrolling. While other games only allow you to scroll left, right, up, or down, Z-plane adds depth to the game play. Now you can move into and out of the game, creating even more levels of play. Plus the unique two-player split-screen mode offers head-to-head match play against another human player. It's brutal and violent, but it's only a game.

Engage in head-to-head carnage with the exclusive two-player split screen mode.

Dodge traps and run a gauntlet of lurking enemies just to stay alive.

## UNDERSEA BATTLE, WHERE THE DANGER IS REAL

### COMMAND: Aces of the Deep®

Between September 1939 and May 1945, as mankind pushed the boundaries of war beneath the seas, Germany launched more than 1,000 U-boats into combat against Allied shipping and naval forces. These deadly phantoms prowled the stormy seas, striking without warning. Soon they became targets themselves.

The Single Mission, Training and Campaign modes are so real, Computer Gaming World called it the "Simulation of the Year." Strategic elements mirror historically accurate developments, including new weapons, detection systems and counter-

measures. The detailed missions highlight famous battles, ships and naval officers of WWII and take you from the icy North Atlantic to the blue waters of the Caribbean.

Use an arsenal of six types of torpedoes to strangle enemy shipping.

Extremely realistic sound-effects will convince you the depth charges are real!

# LORDS II<sup>TM</sup> OF THE REALM

Annihilate  
Foes With  
Head-To-Head  
Network Play

## Ruthless Conquest and Fierce Medieval Combat

This is the country's darkest hour: The King is dead and chaos reigns across the land. The throne is up for grabs. Your army is made up of peasants armed with the crudest of weapons; nothing more than pitchforks, maces and pikes. But they are sworn to your alle-

giance and, if you lead them well, they will fight for you to the death if necessary.

In the highly-anticipated sequel to the original *Lords of The Realm*, you can marshal the resources of your county and lead your army into battle. As you succeed, the

ranks of your army will swell with trained swordsmen, archers and the bravest knights. The goal is conquest. Every move you make must be geared toward managing your resources and building an army that is strong enough to conquer neighboring realms as you smash your way to the throne. In the end, you're either King or you're dead.

*Lords of The Realm II* accurately recreates the challenges of conquering a feudal empire. And it adds new elements including real-time combat, four-player network support and four computer rivals to create a game even better than the much-acclaimed original, providing hundreds of hours of challenges. When you've finally crushed your opponents you'll be crowned King of England, but the strategic challenges don't end there. Lead your forces onto the Continent for conquests of Germany, France or one the fantasy realms included in the game.

# LEISURE SUIT LARRY®

## LOVE FOR SAIL!

### More Hilarious Miss-Adventure From Al Lowe

Al Lowe has found even more ways to put that loveable, singles-scene stealer Leisure Suit Larry into a another hilariously unforgettable miss-adventure. In his latest hysterical outing Larry is booked on the world's gaudiest cruise ship, the PMS Bouncy. It doesn't take long for our hero to stumble onto a shipload of beautiful women. Most of them have a lot of fun at his expense, teasing him into thinking he might actually get lucky. Think again!

Although this loveable loser does his best to date each woman, somehow they figure clever ways to cool his ardor. But all is not lost. He does learn something useful from each encounter. Larry finally sets his sights on the ship's gorgeous Captain Thygh. He hopes that this time he can make a "love connection" with her and sail away forever. Good luck.

**Love For Sail** introduces a host of new interface tricks that make playing easier and more fun than ever. Look for the clever new CyberVox 2000™ (so you can add your own Larry-like commentary), the decidedly retro CyberType 2000™ (which actually lets you type commands!), the amazing CyberStar 2000™ (which lets you put your picture right in the game) and lots more! ## MissionForce™: Cyberstorm™

Do you have the brains and cunning needed to take charge of a whole new breed of Bioderms as they face-off against deadly Cybrids? You better, because this combat-strategy challenge takes more than metal and firepower. To beat back the Cybrids this time you'll need a plan... and the smarts to execute it.

Your goal is to mine the universe for profits and feed them to Unitech, your greedy employer. Only it seems the Cybrids may have beaten you to the riches. Of course Unitech doesn't want excuses. So you'll need to engineer a whole new breed of hybrid Bioderm warriors and build up a fleet of HERCs to send into battle. Think of it as chess played in deep space. With plasma cannons.

**MissionForce Cyberstorm** gives you strategic missions that accommodate all skill levels, from Easy to "End of the world as we know it" Hard. So you can get your feet wet without turning to toast immediately, yet still be challenged when you come back for more. And come back you will, because **MissionForce: Cyberstorm** lets you match wits with the computer for single-player action, or go head-to-head

with up to four players via modem or network. There's even a second CD in every box so you can give one to a friend for head-to-head play!

# LIGHTHOUSE™

## Explore a Surreal Dimension of Discovery & Deliverance

You have been summoned to the eerie, surreal dimension of the Lighthouse, where you are confronted with a shimmering portal that leads into a strangely mechanized world of invention, discovery and barely-disguised evil.

The haunting cries of a kidnapped child still ring in your ears. And you know that your best chance to rescue the child and her missing father from the Dark Being is to pass through the portal and face the evil darkness that exists on the other side. If the portal closes before you act you'll have to search for clues that may lead to another entrance. When you enter you encounter supernatural machines that, while completely alien, seem hauntingly familiar. To rescue the child you must master this universe by conquering these alien inventions and solving the challenging puzzles they present. Each encounter carries you deeper into a confusing world of

Embark if you dare upon a dark and sinister quest to battle the Lord of Evil, Diablo...  
a quest that will pull you into the very depths of hell... And beyond

# DIABLO

An entire town suddenly vanishes... Wild creatures roam the countryside... The catacombs beneath the lost town are said to house long dead warriors from a forgotten age. Some say they have awakened. Others say that the maze leads to the gates of Hell itself. In this dark world evil has corrupted the land and shackled humanity into unholy slavery. Vengeance, power, intellect, and magic—these are tools you will need to battle Diablo, the Lord of Evil.

**Diablo** is a role-playing game unlike any you've ever played. Choose from three distinct roles (Sorcerer, Warrior or Rogue) and enter the labyrinth beneath the decaying town. As you venture deeper into the catacombs, you'll discover weapons, armor, and magical treasures.

Each treacherous step forces you to develop your character's skills & abilities as you come closer to the ultimate darkness. And **Diablo** creates a unique 3D gothic fantasy world every time you enter, so there are always more challenges to meet.

You may also want to bring a friend or two to help. So **Diablo** includes built-in Internet access to Blizzard's battle.net gaming service, as well as modem, network and direct link support to insure that you'll never have to face the Lord of Evil alone.

Explore a 3D labyrinth of dark gothic fantasy.

# Join the Most Elite Force in Crime Fighting History

Engage in real-life tactical simulations featuring actual SWAT Teams facing incredible danger.

Train as a SWAT Team sniper, using the Robar .308 with the Leupold 10X scope.

Learn the ropes step-by-step, from the academy and firing range to the mean streets and real-life danger.

## DARYL F. GATES' Police Quest® SWAT™

A radical militant group has taken control of the Eastman Enterprises industrial complex. They've taken Eastman employees hostage, and they're threatening to blow up the place, hostages and all. Can your SWAT team stop this armed militia before they detonate their explosives? How can you do it without losing the human assets? Oh, by the way, the clock is ticking.

Daryl Gates, former head of LAPD and originator of the SWAT concept, takes the Police Quest series to new levels of realism with all-new action from the streets of Los Angeles. This uncompromisingly authentic tactical simulation uses sophisticated video capture techniques to show you what real SWAT officers learn as they advance from the academy to the

mean streets. With sophisticated live-action video featuring real-life SWAT teams, you'll go through training that covers all the weapons, tactics and split-second decision-making.

Once you make it to the streets, you'll put your skills to use as part of law enforcement's most elite crime fighting force. You'll face extraordinary situations as you try to resolve intense hostage dramas with multiple end-game scenarios. The lives of innocent victims rely on your skill and courage in the face of incredible danger.

# ANSWER THE CALL OF BATTLE

## ROBERT E. LEE: CIVIL WAR ★ GENERAL ★

Always outmanned and outgunned, but never out-generalled, Robert E. Lee was clearly the master strategist of the American Civil War. From the time he turned back McClellan's drive toward Richmond, through one bloody battle after another, his Army of Northern Virginia withstood nearly everything the Union threw against it.

Now you can try your hand at turning the tide in some of history's most famous battles. **Robert E. Lee: Civil War General** puts you in control of the field in seven pivotal Civil War battles. Fight them individually, or as an entire campaign against the Army of the Potomac. Or take on the role of Union generals such as "Fighting Joe" Hooker, George Meade or U.S. Grant in battles ranging from First Manassas to The Wilderness. Whether you play the Blue or the Gray, each battle starts with all the elements of each army placed exactly as they were more than 130 years ago. From there, history is in your hands.

Extensive multimedia encyclopedia helps you plan your strategy in seven historical battles.

Direct individual battles or a complete campaign on either side.

### IndyCar® Racing II

Now you can race for real, in what critics are calling the "most realistic race-car simulation ever." *IndyCar Racing II* takes you on a complete circuit of 15 real-life Indy tracks. Run practice laps, qualifying, single races or a complete championship season. Thanks to a wide variety of custom options, it's easy to get into the driver's seat for a little 200 mph practice — there's even an auto shifting feature that makes the car nearly invincible. Then, as your driving improves, reset the options to make the game more challenging.

*IndyCar Racing II* gives you complete control of the variables that real-life

IndyCar teams use to find the fastest race setup: You control the fuel load, you set angles on the wings and spoilers, and you tune the engine and suspension. You can even wheel your car into the paint shop for a new color scheme and custom decals!

An amazing camera system lets you follow the action from dozens of angles, including in-car shots that you see on television. Plus, you can replay the racing action at the touch of a button. And you'll want to see the action again, because the graphics and sound feature an amazing level of detail!

# THE MULTI-PLAYER STRATEGY CHALLENGE

## The Rise & Rule of Ancient Empires

Seize power and glory as leader of six ancient cultures, each with a unique legacy of cultural, scientific and military achievement. Using all your strategic skills you can restore the great civilizations to their former greatness. The dynasties of Egypt, Greece, Mesopotamia-Persia, Northern Europe, China and India are your challenges. Explore your surroundings, expand your borders and build cities in the architectural style of each culture. Take control of your empire's domestic and military production. Establish your rule over your flourishing civilization, then try to bend the rest of the world to your will.

**The Rise And Rule of Ancient Empires** is a richly detailed strategy game that was designed from the ground up for multi-player network play. The intuitive interface streamlines game play to keep turns moving at an accelerated pace. The many levels of depth and detail provide endless replay variations.

## Front Page Sports®: Football Pro™ '97

Huddle-up! The highest-rated computer football game now features modem and network play, so you can challenge friends head-to-head. Of course, you can still play against the computer if you run out of on-line opponents. Whether you run the show from the front office, call the plays from the sidelines or put on the pads and run the ball yourself, the competition will be fierce. With individual player Artificial Intelligence and motion-captured movements, no other football sim is as authentic or comprehensive. The exclusive Camera Angle Management System (CAMS™) lets you watch the action from any place in the stadium. And 3-D graphics and real-life sound effects make sure every pass, every run, every bone-shattering tackle looks, moves and sounds authentic.

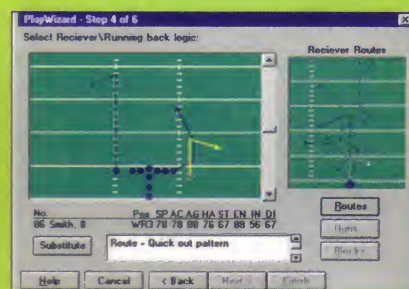

When it's time to turn in your cleats, don't give up the game. Because **Football Pro '97** offers more than incredible action. Just take on the role of Coach, General Manager or League Commissioner. With every NFL team and player included, your choices are wide open. You create the leagues, you run the draft, you make the trades, you create the game plans. And **Football Pro '97** is the only football sim that includes career play, so you can watch players develop and maybe even make the Hall of Fame. From the first round of the draft to the final seconds of Super Bowl™ Sunday, **Football Pro '97** puts you on the field.

**Front Page Sports®:  
 Baseball Pro™ '96**

The *Baseball Pro '96* designers used high-speed workstations to bring real-world big-league action to the PC. The result is so life-like, you'll no longer wonder what Randy Johnson's 98 mph 'Mister Snappy' looks like to left-handed hitters — just step in the box and see for yourself!

At the heart of *Baseball Pro '96* are all the variables that affect real baseball. Ball flight isn't scripted, it's based on real physics: spin, point of contact, launch-angle, wind, weather and altitude. New features include high-resolution 3-D graphics and improved speed, strategy and playability.

The incredible Camera Angle Management System (CAMS™) lets you watch the action from anywhere in the stadium or anywhere on the field. And the action includes all 28 big-league ballparks, so you get a first-hand opportunity to see Cleveland's Jacobs Field, or to try to spank a dinger off the warehouse outside Camden Yards.

In *Baseball Pro '96*, you can play the part of the GM, manage the club from the dugout or put yourself in the action as a player. You can even simulate an entire season in the time it takes two teams to play a typical extra-inning slugfest. Every player from every big-league team is included. And *Baseball Pro '96* is the only game that lets you simulate a player's entire career, from his rookie season to the Hall of Fame.

Sierra's physics-based game play produces realistic action.

The CAMS system lets you view and replay the action from any place in the ballpark.

Incredible high-resolution graphics give you a lifelike view of the game.

## IT'S BLOOD & BONE AGAINST SILICON & STEEL

Cybrid HERCs once did man's bidding, but they've turned on their creators and waged a 20-year guerrilla battle for control of Earth and its distant colonies. For the Cybrids, it's victory or death. And death means nothing to a machine.

With more than 50 rivet-wrenching missions, EarthSiege 2 puts the future of humankind squarely on the shoulders of you and your fighting HERCs. Fortunately, the engineers have outfitted you with new weapons and new HERCs—including the RAZOR, an awesome new air fighter—to meet the challenge. Every HERC is fully customizable with eight classes of weaponry, including Plasma Cannons (AKA "The Cybrid Eraser") and an improved Electron Flux Weapon.

*EarthSiege 2* uses amazing 3-D terrain effects to create rocky hills, jagged canyons and ragged craters. Remarkable graphics and sound effects add incredible realism. Blow a leg off a Cybrid in *EarthSiege 2* and he doesn't just stand there; he staggers and crashes to the ground with an earth-shattering explosion. You say you've never heard a HERC's engine grind as it labors over a rugged hillside? Well, it's a noise you don't want to hear when you have a lethal Cybrid on your tail.

*EarthSiege 2* gives you an Instant Action feature that lets you step right into battle and face immediate Cybrid challenges. But you also get dozens of missions that make it worth coming back again and again.

# THE TIME WARP OF

# Dr. Brain

OVER 600  
BRAIN-BUILDING  
PUZZLES FOR KIDS  
& ADULTS!

## A Mental Morphosis of Puzzling Fun!

Includes over 600 all-new puzzles with incredible 3-D animation and Dr. Brain's usual rockin' soundtrack.

Solve time-traveling puzzles in the sequel to the award-winning *Lost Mind of Dr. Brain*.

Here he goes again! The sequel to the award-winning *Lost Mind of Dr. Brain* is now ready to tease your mental capabilities. It seems dear Dr. Brain has been back in his lab puttering around, making some final adjustments to his latest project, the top-secret "Space Time Discontinuum" formula. And just when it looked like he had everything under control there was a slight hitch...now Dr. Brain is lost somewhere in time! From a primordial organism to a 51st century wonder-brain of pure cerebral power, Dr. Brain meets plenty of characters in his travels but only you can help him find his way back.

Like all Dr. Brain adventures *The Time Warp of Dr. Brain* has 10 brain-flexing puzzle areas, each specifically designed to bring minds of all ages to new levels of mental fitness.

Over 600 puzzles will keep you and your kids scratching your heads and laughing out loud for weeks. Dazzling 3-D rendered characters and a rocking musical score will have you tapping your toes as your brain works overtime to solve Dr. Brain's predicament. Plus, good old Dr. Brain has found the Internet and now you can challenge friends on-line in two of new puzzle areas. So get lost in time with Dr. Brain and experience a whole new way of thinking.

## The Lost Mind of Dr. Brain™

Oooooops! Sure he's a genius, but Dr. Brain just made one very dumb mistake: He accidentally downloaded his brain into his lab rat. Now Dr. Brain's destiny is in your hands. Unlock the secrets hidden in his eccentric mind as you puzzle over the twists and turns packed into these wild, wacky brain-busting adventures.

Our game designers actually picked the brains of the leading brain science experts to craft the ultimate brain workout. The result: a non-linear game that provides specific puzzles that focus on different regions of the brain, including verbal, logical, visual, musical and more.

Sounds like heady stuff, huh? Don't worry. While we kept in mind the ultimate goal of cerebral fitness, Dr. Brain is still a terrific game with a rocking soundtrack, great animation, comical quips and three difficulty levels that will keep you and your children playing for years.

# Eager To Learn

NEW  
FOR KIDS  
AGES  
4 TO 7

## Turn Learning Into Child's Play

**Eager To Count.** Kids won't get bored with dozens of different activities that introduce numbers and math.

**Progress Report.** Check each child's progress and areas of excellence in every learning activity.

**Eager to Read.** With a wide variety of animated activities, learning letters, words and reading is fun.

Packed on 2 CDs, **Eager To Learn** gives youngsters a whole range of exciting learning activities - including more than 60 reading and math games and exercises.

Kids love Adi Jr., the cute extraterrestrial study buddy with magical powers that make learning fun. And parents love the fact that **Eager To Learn** grows with their child. As the child progresses, so do the activities. There are two levels for kids ages 4 to 5 years and 6 to 7 years, and three levels of difficulty in each game and exercise. That keeps children challenged and entertained as they learn new skills. And Progress Reports make it easy for parents to track their child's lessons, progress and development.

Interactive activities and educational games make learning letters, numbers, reading and math fun! Adi Jr. and his friends will keep your child entertained and engaged for hours with 23 songs and cartoons, 7 interactive games and lots more. All while your child learns important early scholastic skills. There's even a workshop that children can use to create drawings, inventions and cartoons. That makes **Eager To Learn** the most comprehensive program available for young children. It will give your child the head start needed to develop good study habits.
